As a convenience to the members and friends of St. Mary, we offer automatic withdrawals and online giving for recurring (weekly and monthly) and one-time donations. Online giving is a safe, secure, and convenient way to give without the hassle of writing checks or filling out offertory envelopes.

Using the online giving option allows you to make a one-time gift any time. You may also create a profile account to start weekly or monthly contributions.

If you would like an annual giving statement for tax purposes, it is necessary to create a profile account. This enables St. Mary to link your generous contribution to the parish data system, which generates the year-end giving statement.

Benefits of Online Giving:

It is...

- A convenient way to arrange your gifting to the Parish
- An efficient, earth-friendly way to give that reduces paper waste
- A more secure way of giving

Online Giving

Online Giving Using Internet, Mobile and Text

St. Mary offers the ability to make a one-time gift or set-up recurring gifts using a credit or debit card via the internet, mobile phone or text using Vanco Payment Solutions. Giving with a credit or debit card can be done with or without creating a profile. We encourage members to create a profile to maintain maximum control of giving preferences, frequency, and history. Instructions for each method of giving are provided on the following pages:

- Internet app - Page 8-16
- Text-to-Give: Page 17
- Give+ Mobile App - Page 18

Members Please Note: Online giving cannot be included in the end-of-year statement without a profile.

Members are encouraged to provide automatic withdrawals from their checking or savings account to minimize convenience fees. Electronic withdrawal from a checking or savings account option is St. Mary's preferred method of giving because it allows the total sum of the contribution to be utilized. There are convenience fees for debit and credit cards, which are deducted from the contribution.
