

# Confirmation Saint Form

## Selecting a Confirmation Saint Name:

Choosing a Confirmation Saint Name is a long standing practice in the Catholic Church. Candidates should spend time researching and praying about which saint to choose as a patron at confirmation (see the Resource: *Why Confirmation Saints?*). This will be the name with which you are introduced to the Archbishop. Use the following space to list your name, the saint name you are choosing and to offer a detailed explanation of why you have chosen this saint. Your explanation should offer answers to why you chose this saint: What causes/individuals are they a patron saint of? What are some specific examples of perseverance in faith from their life? How have they served others as disciples of Jesus Christ? Why do you identify with this saint?
