

New on-line payment option for families is now available!

St. Mary Parish School - Hales Corners is pleased to introduce a new program called ***eFunds for Schools***. This program offers various options for parents/guardians who ***choose*** to make payments online and is extremely user friendly. Not only will you have the ability to have tuition, child care fees and lunch payments electronically withdrawn from your checking account or charged to your credit card, you also have the flexibility to make a payment at any time through the school's website. The ***eFunds for Schools*** service is offered to you by a third party service provider and they charge for processing your payment(s), similar to other online banking services. St. Mary Parish School does not request or keep records of family checking or credit card account information.

The ***eFunds for Schools*** electronic payment service has a nominal fee for this service. **There is a \$1.00 transaction convenience fee for each electronic checking payment that you make.** The system carries a Non-Sufficient Funds (NSF) charge if the payment is declined. **For payments made by credit or debit card, there is a convenience fee of \$2.65 per each \$100 increment in the transaction.** When you set up your account, please review your options carefully.

You are in full control of your account and can make a payment at any time that is convenient for you. **No payments will be allowed without your knowledge and authorization through this secure payment system.** By providing your home and/or work email address, an email notification informing you of the student's name, purpose of the payment, and the amount of the item, will be sent to you each time that a payment is to be processed. The ***eFunds for Schools*** site is secure and uses industry standard data encryption.
