

Refer-A-Family

Help us spread the word about our school...
and receive a \$250 SCRIP gift!

Has a new
family moved
to your
neighborhood?

Have you
seen a new
family at
mass?

Do you
know a family
that is looking for
a school that
offers more?

St. Mary is looking for new families to join our community and you can make a big impact. With your help, our school, parish and community will continue to thrive and grow.

Participation is simple: give a Referral Card to anyone who might be interested

The Referral Card provides the family with the information they need to get in touch with us, as well as informs us who introduced them to our school. We encourage you to stay in touch with the family and act as an ambassador while we invite them in for a tour and tell them all about our wonderful programs.

Program Details

As a gift of thanks for families you refer that join our school registering in grades 5k-8, you will receive your choice of any \$250 SCRIP certificates after 180 days of the new family's tuition payments are received.

If you need any further information, please contact Maria Schram at 414-425-3100 or schramm@stmaryhc.org.
