

St. Mary Parish School

2018-19 SMART Tuition Letter

April 12, 2018

Dear Parents:

Why SMART Tuition and what can it do for you?

Tuition is due in full on July 1, 2018. However, if you want to level your family's cash flow by paying your tuition bill over the 10-month school year, the SMART Tuition option may be for you.

SMART Tuition allows you to:

- Choose what works best for you (monthly invoice, recurring automatic payment from your bank account or credit card).
- Pay one-tenth of your tuition bill every month.
- Access your account online (review transaction details, edit contact or payment method, make a payment or set up recurring payments).
- Receive payment and follow up reminders by email or phone 7-10 days before your due date for recurring payments
- Speak with a customer service representative 24/7.

If you wish to participate in the Smart Tuition program, please do the following:

- Return your School Tuition Payment Form along with your 10% down payment on **May 1, 2018** indicating that you will be paying using SMART Tuition. You will not be eligible for the early payment discount of \$150 offered to families paying by July 1, 2018.
- Enroll or re-enroll your SMART Tuition application online at www.enrollwithsmart.com before **June 1, 2018**. Note that our **school code is 11479**. There is an annual \$95.00 enrollment fee that is billed along with your **first** month billing. Instructions to re-enroll or enroll for the first time can be found on our School Website under the Parents SMART Tuition tab.

If you have questions, please feel free to contact Peggy Holmes at the Parish Office (414-425-2174 ext.223) or email her at holmesp@stmaryhc.org

Thank you,
Dan Hansen
