

ROYAL AFFAIR SPONSORSHIP

The St. Mary’s Endowment Committee is hosting The Royal Affair. This is an annual celebration and fundraising event in support of the Endowment Fund, which is a long-term savings plan intended to secure the financial future of the operations and services of our wonderful parish, as well as the continuation of quality education at our much-adored school. Our theme this year is Cabin Fever. This event will be held at Bass Bay Restaurant on Saturday **March 9, 2019** and is expected to draw 175+ attendants.

We are seeking individuals and businesses to partner with us in continuing the mission of our parish and school. By making a donation to our event, you are gaining valuable, tax-deductible **advertising exposure** to the largest parish in the Milwaukee Archdiocese, **with over 3,400 registered families and 12,000 members**. In addition, the intangible benefits gained by contributing to the growth and spiritual development of this parish community are impossible to quantify.

Wish list packages or items can be donated by an individual or split the cost between multiple donors.

ALL donors will be recognized on our auction website and special recognition at the event. Donors may also remain anonymous if desired.
