2020-21 Tuition Payment Timeline

May 18, 2020

Dear Parents:

A lot of things have changed during this COVID pandemic. Many of these changes have impacted our School Families well beyond online learning and cancelled athletic events. Some of our families are hurting financially as well. In deference to this, we've delayed the tuition process as late as possible this year. We hope this delayed time frame will allow families to recover a bit before making their tuition payment this fall.
