

BEGINNING OCTOBER:
LEADERSHIP LUNCHESES

- Once each month during lunch, leaders in the community will share with students in grades 6-8 important issues to consider when choosing a career for their future.
- Groups of students will be small (12-13 students) and a mix of 6th-8th graders with a question and answer phase.
- Students will learn about a variety of careers from professionals.
- This connection to vocation offers motivation for students to think of their life in terms of their best vision of a future life.
