Meeting started at 6:30pm

Rick Tank (Director of Priest and Lay Ecclesial Personnel and Placement for the Archdiocese of Milwaukee) met with the Pastoral Council and Finance Council to walk us through the process for priest selection as we prepare to fill Fr. Brain's position as pastor of St. Mary.

- By the end of September each year, the diocese has a good idea of availability of priests to fill various positions.
- Open listings go out the first week of December each year.
- Parish profiles and data sheets help to inform decisions on placement.
- The 3rd Tuesday in June is the goal to have placements filled.

The members present then spent time answering questions and providing thoughts to Rick that would help him and the board make the final placement decision.
