

Dear Parents,

Faith in Our Families is a St. Mary initiative with the goal of connecting families through faith. This letter is to invite you to participate in JOY FOR JESUS!

How to Participate

Each student uses his/her own form, which is being sent home today. Each time you attend a weekend Mass, your child should color in a cross, fill in the name of the church attended, and write a word or phrase about something they learned or remember from the Mass.

When a column is filled up, have your child turn in the entire form to his/her homeroom teacher. Every Friday, Dr. Joerres or another volunteer will visit the classrooms with a variety of gifts your child can choose from. Forms will be returned to students at that time to take home and continue tracking in the next column.

Extra forms can be obtained from the school office or printed from the FIOF page on the school web site.

Key Points

- Participation is optional
- Only weekend and holy day Masses count (not school Masses)
- You can attend Mass at any church
- Virtual Mass counts for those unable to attend in person
- Fill in the columns at your own pace—simply fill in the next cross whenever you attend Mass again

If you have any questions, please contact Martin Devaney at 414-427-6327 or devaney@protonmail.com.

We look forward to seeing you at Mass!
