

Praised be Jesus Christ!

Over these past weeks, we have been intentionally increasing awareness of the need to strengthen and enhance monthly giving at St. Mary Parish and School. As we now enter the final month of our Enhanced Giving Program, I want to pause first and simply say *thank you*.

I am deeply grateful to all who have responded with generosity. Your consistent support makes a real and lasting difference. Because of faithful parishioners like you, St. Mary remains rooted in strong faith formation and reverent worship.

For many years, our parish has been operating with essentially the same level of monthly giving we had in 2013. While our costs have grown over time, your generosity has helped sustain and carry us forward. To responsibly care for our parish today and ensure its vitality for the future, we must gently lift ourselves beyond where we have been. What makes St. Mary strong is not simply our history, but the shared commitment of parishioners like you who believe in this mission and choose to support it.

Your contribution, whether recently adjusted or long sustained, is part of a legacy that allows this parish to remain a welcoming, faith-filled home for generations to come. If you have already increased or begun a monthly gift, please know how thankful I am for your response. If you have not yet had the opportunity to do so, I encourage you to prayerfully consider taking part now.

Even a modest increase, when offered consistently, has a powerful collective impact. Together, we share in a mission of worship, education, service, and community life. Your generosity makes that mission possible today and well into the future.

Please know of my gratitude and prayers for you and your loved ones.

Sincerely Yours in Christ,

Rev. Aaron R. Laskiewicz
Pastor
